

**Basic Medical Sciences  
Departmental Seminar Series**

2009-2010

Thursdays, Noon – 1PM  
600 E. Van Buren, Room 2206

- Oct 1 Carol Gregorio, PhD  
The University of Arizona College of Medicine  
Title: Deciphering the mechanisms regulating actin filament architecture in striated muscle
- 
- Oct 8 Ella Nikulina, PhD  
College of Medicine-Phoenix  
Title: Social defeat stress: molecular neuroadaptations and psychostimulant cross-sensitization
- 
- Oct 15 Jon Valla, PhD  
Barrow Neurological Institute  
Title: Mitochondrial Decline in Alzheimer's Disease: Cause, Consequence, or Correlate?
- 
- Oct 22 Chad Foradori, PhD  
College of Medicine-Phoenix  
Title: TBD
- 
- Oct 29 Jonathan A. Leighton, MD  
Mayo Clinic in Arizona  
Title: TBD
- 
- Nov 5 Burt Feuerstein, PhD  
Barrow Neurological Institute  
Title: TBD
- 
- Nov 12 Heather Cunliffe, PhD  
Translational Genomics Research Institute  
Title: The role of Fn14 signaling in breast tumor progression
- 
- Nov 19 Ed Mocarski, PhD  
MedImmune  
Title: TBD
- 
- Dec 3 Michael L. Smith, PhD  
University of North Texas  
Title: Chemoreflex Control of Sympathetic Activity in Human Models of Sleep Apnea
-

Dec 10      Yoganand Balagurunathan, PhD  
              TGen  
              Title: Genomic Signal Processing: Biomarker discovery in Cancer Research

---

Dec 17      Michael Barrett, PhD  
              TGen  
              Title: TBD

---

Jan 7        Lawrence Mandarino, PhD  
              Arizona State University  
              Title: TBD

---

Jan 14      Eric M. Reiman, MD  
              Banner Alzheimer's Institute  
              Title: TBD

---

Jan 21      Heddwen Brooks, PhD  
              The University of Arizona  
              TBD

---

Jan 28      Sethuraman Panchanathan, PhD  
              Arizona State University  
              Title: TBD

---

Feb 4        TBD  
              Title:

---

Feb 11      Jason Robert, PhD  
              Arizona State University  
              Title: TBD

---

Feb 18      TBD  
              Title:

---

Feb 25      Michael A. Adams, PhD  
              Queens University  
              Title: TBD

---

Mar 4        TBD  
              Title:

---

Mar 11 Erik Sulman, MD, PhD  
MD Anderson Cancer Center  
Title: TBD

---

Mar 18 TBD  
Title:

---

Mar 25 TBD  
Title:

---

Apr 1 Victor H. Engelhard, PhD  
University of Virginia  
Title: TBD

---

Apr 8 TBD  
Title:

---

Apr 15 Abul Abbas, MBBS  
University of California San Francisco  
Title: TBD

---
